

## Baby Lights

Shed a little light on night-time baby duties with **Babeebrite** (mommybeehappy.com, \$14.95). Babeebrite is a light clip that can attach to anything from pajamas to changing table, leaving hands free for diaper changes, feedings, or simple soothing. The soft white light offers gentle lighting without disturbing baby.

And for trimming tiny nails, **Baby Light & Clip** (babylightandclip.com, \$10.99-\$19.99) comes in handy! The lighted nail clipper illuminates from under baby's nail, taking the guesswork out of where it is safe to clip.
