

Baby Light & Clip!

Ever find yourself sneaking into your **baby**'s room while they're sleeping, just so you can **clip** those tiny fingernails? Take the guess work out of where to safely **clip**! With the **Baby Light & Clip**, you can now trim your **baby**'s nails in a dark or dimly lit room. This unique nail clipper illuminates **light** from under **baby**'s tiny nail, allowing you to see exactly where you're clipping! It also has special safety guards and a nail clipping tray, ensuring that your **baby**'s tiny fingertip is not cut and that nail clippings aren't left in your **baby**'s bed.
