Baby Gadgets

5. Our eyes lit up when we saw the Baby Light and Clip nail clipper. This small gadget has 4 big safety features that make trimming the tiniest of nails a cinch: The nail clipper illuminates your little one's fingertips revealing what part of the nail needs trimming, safety guards help prevent nicks, the handle is designed for both comfort and control, and the compartment traps the tiny nail clippings. The [Baby Light and Clip](#) is a must-have, and at only \$14.95 it is a can-have for every mom.
